

Do you have Ulcerative Colitis?

Doctors in your area are testing a study medication for ulcerative colitis (UC).

You may qualify for this study if you:

- Are 18 to 80 years of age *(16 to 18 may be included if allowed in your region/site. Please consult with the site staff)*
- Have been diagnosed with ulcerative colitis (UC) for at least 90 days
- Currently have UC symptoms
- Have tried UC medication but still have symptoms

Those who qualify may receive:

- No-cost study medication
- No-cost study-related care from local doctors

**This clinical study is enrolling
today. Contact us to learn more.**

Health insurance and doctor referrals are not required.
