

# IS EOSINOPHILIC GASTRITIS WITH OR WITHOUT EOSINOPHILIC DUODENITIS AFFECTING YOUR DAILY LIFE?

Explore your options

**You may be eligible for the Engage clinical study, which aims to investigate a study drug for EoG with or without EoD.**

You may be eligible if you:

- Are  $\geq 12$  years old
- Have been diagnosed with EoG by endoscopic biopsy
- Have had at least 2 EoG episodes every week in the 8 weeks prior to joining the study (stomach pain, stomach cramping, nausea, bloating, early satiety, loss of appetite, vomiting, diarrhea)

There are other requirements to participate. To learn more about Engage, and whether it may be right for you, please contact us:
